ART UNIT PAPER

12102004

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

See Attached Detail Action.

Art Unit: 3713

DETAILED ACTION**Response to Amendment**

The reply filed on 9-16-04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The status identifiers for the claims is inconsistent with certain claims that have be amended and the remarks by Applicant. Claims 20 and 41 have the status identifier of (cancelled); yet there appear amendments made to these claims. Also, in the remarks the Applicant states that these claims are pending after this amendment. This is going cause confusion later on in prosecution; therefore, the Examiner wishes to have this corrected at this point in prosecution to make the record clear. Furthermore, Applicant omitted updating the continuity data in the first line of the specification, the parent file has been held abandoned; please update. Applicant needs to resubmit the entire amendment with remarks and preferable by mail because the faxed copy is poorly legible.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Art Unit: 3713

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael O'Neill whose telephone number is 571-272-4442. The examiner can normally be reached on Monday through Friday 8:30 am to 5 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Xuan M. Thai can be reached on 571-272-7147. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
